

As part of our mission to promote transparency of pandemic spending, the PRAC will oversee the pandemic relief funds in the American Rescue Plan.

Note: This graphic addresses specific funds related to pandemic response and recovery, covering \$1.6T of the total \$1.9T in the American Rescue Plan Act.

- * Estimated amounts for unemployment extensions calculated by Committee for a Responsible Federal Budget and found at www.crfb.org.
- ** Estimated amounts for recovery rebates and child tax credits supplied by Joint Committee on Taxation via Treasury Inspector General for Tax Administration.

The PRAC was established in March 2020 by the CARES Act to promote transparency and support independent oversight of the funds provided by the CARES Act, the American Rescue Plan Act, and other emergency pandemic spending bills. In addition to its coordination and oversight responsibilities, the PRAC is tasked with supporting efforts to prevent and detect fraud. waste, abuse, and mismanagement and to help mitigate major risks that cut across program and agency boundaries.
